

## **Phase 1-3 Plan West Shore Lutheran School**

### **Distance Learning**

All classes will be operating virtually. Each Teacher will determine which platform is best for their students and parents and will communicate on a daily basis. Expectations and requirements for learning will be shared on a regular basis.

### **Access to the School Building**

Access will be limited to essential personnel only. Parents may not enter the building at any time. Depending on conditions allowed by the State of Michigan, teachers may be allowed to conduct their distance learning from the building as long as they maintain social distance.

### **Childcare**

Our Childcare facility may be open depending on guidance from the State of Michigan and our Local Health Department.

### **Communication**

All communication with the office will be done via email, phone, social media, and the school website. The office will not be open to walk in business.
