More Important Information

February/March Chapel Offering

Prior to Sable Farmer's passing, we had chosen to designate our February and March Chapel offerings to support Sable's family. Sable, a former student at West Shore Lutheran School, was under medical treatment for a rare genetic disorder for many years.

As you can imagine, the medical and transportation costs were a burden. Sable's mom, Lauri, was unable to work as she cared for Sable. We encourage West Shore families to donate generously in support of Sable's family. ***Your prayers are also very welcome. Thank you.***
